TOTAL	\$ 10,000.00
-------	--------------

FAA Grant Funded at:	93.75%
City Funded at:	6.25%

Budgeted Item:

Yes

Background:

August 16, 2016

Public Works has been working this past year on a FAA grant for Wildlife Deterrent and Perimeter Fencing for the Mesquite Airport. This grant is

only for Design and Completion of all the environmental needed for a categorical exclusion.

Once completed and the FAA approves the environmental and design plans the city can move forward on a FAA grant for next FY 17-18 for the construction of the Wildlife Deterrent Perimeter Fencing project estimated to be between \$500,000.00 and \$600,000.00.
